Is there really a pool? Does the pool exist? For someone who loves the pool, there are only two places to go for a swim and that is our community pool or the pool at the local Joesons home. Where you go depends on what day it is. Like it or not, Joesons pool is an interracial erotica pool party! The pool and the parties at the pool have been a part of Athens for years. In fact, Joesons pool is the only thing to do on a summer weekend in Athens, WV. The pool has become the local hang out for tourists and locals alike. It is also the place where you can meet your girl friend's mom for a date. Yes, the Joesons pool has become an "interracial" pool party. Of course there are all different kinds of men that go to the pool. But every man that goes to the pool has a special reason for being there. The pool is always filled with people. Some people go because they need to relax and relax with friends. Others are there to get some cheap drinks and get their looks on. But whatever the reason, there is no denying that the pool is the place where many interracial relationships begin. So when the four main characters of this book go to the pool they aren't exactly sure what to expect. But they are happy that they found the pool that they were looking for. The four main characters of this book are John Persons, the Pool Manager; Jason Hills, the pool Tech; Casey Adams, the Pool Attendant; and Chris Brown, the Pool Guard. In this book, John, Jason, Casey and Chris are all friends and always have been. But when they go to the pool they find themselves discovering new things about themselves. When they find themselves together at the pool they find that they can't get enough of each other. So it is no wonder that their relationship continues to grow throughout the summer. You will find that this book follows each of the main characters as they work on their relationship. Sometimes the characters find that they need to talk to their friends. Sometimes they need to go to the pool together and share some fun and sometimes they need to think things through. This book is an interracial romance and there is some hot sex involved.
